Login to the system

A diagram of a login form layout. It consists of a large light blue rectangular container. Inside this container, there are four smaller rectangular boxes stacked vertically and centered. The top box is light orange and labeled "Logo image". The second and third boxes are light gray and both labeled "Text". The bottom box is bright blue and labeled "Button".

Menu

A diagram of a menu bar layout. It features a horizontal row of four buttons. The first three buttons are light gray with a thin blue border and are labeled "Button". The fourth button is a solid blue color with rounded corners and is also labeled "Button". The entire row is enclosed within a green rectangular frame.
